CONFERENCE

WELCOME

Auckland's Rainforest Retreat

One of the most naturally beautiful conference venues in the Auckland region. Make yours the best-ever conference, experience luxury and escape the hustle and bustle of the city in our native rainforest setting.

Waitakere Resort & Spa is ideally located for your company conference with Auckland CBD and Auckland International Airport just 30kms away. Turn off the phone and relax in the stunning garden setting of our meeting rooms. Conference attendees can focus on the content being delivered while the details are taken care of by our team.

Delegates will enjoy some of the best fine dining of any meeting venue Auckland wide. Plus, our on-site facilities are second-to-none in a totally self-contained retreat. Our conference centre's boutique accommodation means your delegates can remain on-site, in luxury, throughout the conference.

Waitakere Resort & Spa is nestled on a ridge high above 30 hectares of native forest in the Waitakere Ranges Heritage Park. Discover some of New Zealand's best rainforest views, stretching out as far as Auckland City and beyond to the sparkling waters of the Waitemata Harbour. A family owned property, we offer a secluded and inspiring location to conference. A range of meeting spaces are on offer. Our newly built Wellness centre incorporating our day spa and gym offers you the opportunity to create a true 'retreat' away from the office for your delegates. Delegates can enjoy time and space to focus and re-charge; talk to us about the options for incorporating a wellness aspect into your next event.

Lush native rainforest, rugged coastline and windswept, black-sand beaches. This 160-sq-km wilderness was covered in kauri until the mid-19th century, when logging claimed most of the giant trees. A few stands of ancient kauri and other mature natives survive amid the dense bush of the regenerating rainforest, which is now protected inside the Waitakere Ranges Regional Park. Bordered to the west by wildly beautiful beaches on the Tasman Sea, the park's rugged terrain makes an excellent base for an escape from the office.

Explore over 250kms of walking tracks including short, easy walks and the rain forests magical Kitekite Falls. For a short walk that's suitable for the whole family, try the Kitekite Track.

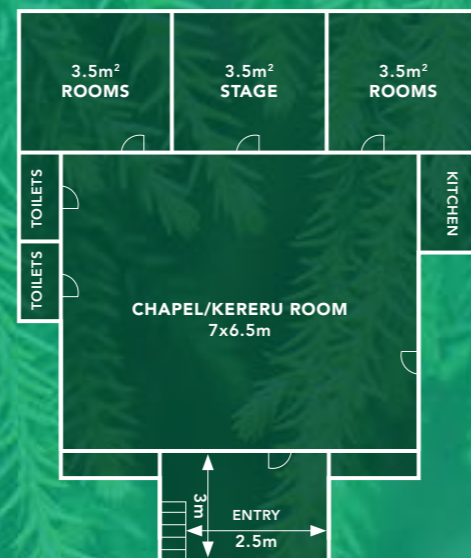

As tranquil as the Waitakere Ranges area is, it's also one big playground, with surfing, swimming, fishing, walking, picnicking and camping. For the more adventurous there's mountain biking, quad biking and even canyoning.
